

1. Purpose

- 1.1 Practice – gives your child opportunities to apply new knowledge, or to review and reinforce recently learned skills.
- 1.2 Preparation - gives your child the opportunity to gain background information so they are better prepared for future lessons.
- 1.3 Extension - encourage your child to pursue knowledge individually and imaginatively.
- 1.4 Establish effective organisation and develop self-regulation processes such as time management and study skills.
- 1.5 Fostering lifelong learning and connecting families with the learning of your child/ren.

2. Scope

- 2.1 The Learning@Home set for your child will vary depending on their age, the subject and the school's approach to Learning@Home. The degree of difficulty and length of Learning@Home will also be set according to their age and ability.
- 2.2 Each teacher sets their own Learning@Home so the amount will vary between classes and subjects, as well as between schools.

3. Policy

- 3.1 Learning is a shared responsibility between the school, teachers, students and their parents/guardians. Learning@Home facilitates this outcome.
